The month of January, February, March and April 2016. we had a number of successful events including valedictory function 2016, thanks to all the staff and students who are participated in all activities to made grand success.

The fest on Traditional Dress

On January 4th faculty of Siddhartha institute of science and technology has celebrated the fest on Traditional dress. It indicates our traditional values and ethics our chairman Dr.K.Ashok raju garu encouraged the faculties about the value of traditional dress and also the principal participated traditional dress.

REPUBLIC DAY CELEBRATION

On January 26th, 2016 the most prestigious and patriotic day of India. We have been celebrated in Siddarth Group of Institutions. Our Honourble principle Dr P Subbaiah garu has hoisted the flag and delivered the key note address. In his speech he has evoked all the sacrifices of our freedom fighters and stated the role of today's generation not only to offer tributes to those great people but also to continue the love for "Bharathmaatha". Principals and many other faculty members have also ignited the students' minds with patriotic and emotional speeches.

SIDDARTH QUEST-2016

National level technical symposium

In this year we have conducted National level technical symposium, on April 14th 2015 in our college. Our chief guest is Dr. K. Rama Naidu Garu. The Rector in J N T U Anantapuramu. Along with him our Siddarth group of institutions principals preside over the programme and our chief guest Dr. K. Rama Naidu Garu gave a valuable speech, that is symposiums like these play a vital role encouraging the young engineers to fuel the enthusiasm and develop research acumen.
